MANAGEMENT DISCUSSION AND ANALYSIS

Global Economy

Global growth again fell short of expectations in 2015, decelerating to 2.4 percent from 2.6 percent in 2014. The disappointing performance mainly reflected a continued growth deceleration in emerging and developing economies amid post-crisis lows in commodity prices, weaker capital flows and subdued global trade. In developing countries, growth in 2015 is estimated at a post-crisis low of 4.3 percent, down from 4.9 percent in 2014.

The economic rebalancing in China is continuing and accompanied by slowing growth. Brazil and Russia have been going through severe adjustments in the face of external and domestic challenges. On an average, activity in emerging and developing commodity exporters stagnated in 2015, as they continued to be hard hit by declining commodity prices. As a result, the contribution to global growth from these economies has declined substantially.

Indian Economy

Indian economy has consolidated the gains achieved in restoring macro-economic stability from the beginning of last fiscal year (FY2015). Inflation has continued to moderate steadily. Consumer price inflation (measured by the CPI-NS) has declined from 5.4 percent in February 2014 to 5.18 percent in February 2015. The WPI has been in negative territory for 12 months since November 2014 and is at (-) 0.91 percent in February 2016. Rural wage growth and minimum support price increases—important determinants of inflation—have remained muted.

Similarly, the external position appears robust. The current account deficit has declined and is at comfortable levels (about 1.2 percent of GDP); foreign exchange reserves have risen to US\$ 355.9 billion as on March 31, 2016 which seem ample, measured against conventional norms; net FDI inflows have grown from US\$ 15.8 billion in H1 (April- September) 2014-15 to over US\$ 17 billion in H1 2015-16 which is noteworthy against the background of uncertainty in other capital inflows; and finally, the nominal value of the rupee, measured against a basket of currencies has been steady or even strengthened. The rupee has gone from being one of the worst performing currencies—as a member of the fragile five—to one of the best performing currencies against the dollar this year.

Industry Review

In India, real estate is the second largest employer after agriculture and is slated to grow at 30 per cent over the next decade. The real estate sector comprises four sub sectors - housing, retail, hospitality, and commercial. The growth of this sector is well complemented by the growth of the corporate environment and the demand for office space as well as urban and semi-urban accommodations.

The construction industry ranks third among the 14 major sectors in terms of direct, indirect and induced effects in all sectors of the economy.

India's real estate market is expected to reach US\$ 180 billion by 2020 from US\$ 93.8 billion in 2014. The housing sector alone contributes 5-6 per cent to the country's Gross Domestic Product (GDP). Emergence of nuclear families, rapid urbanisation and rising household income are likely to remain the key drivers for growth in all spheres of real estate, including residential, commercial and retail.

SUNSTAR REALTY DEVELOPMENT LIMITED

Real estate is currently the fourth-largest sector in the country in terms of Foreign Direct Investment (FDI) inflows.

Mumbai Real Estate

Mumbai real estate market has shown signs of improvement and increase in off-take of inventory. Further, customers have shown a clear preference to the developers with good track record of timely delivery, quality product and with sound financial stability. Good developers have seen regular demand throughout FY 2015-16.

To
The Members of
SUNSTAR REALTY DEVELOPMENT LIMITED

Report on the Standalone Financial Statements

We have audited the accompanying standalone financial statements of **Sunstar Realty Development Limited ("the Company")**, which comprise the Balance Sheet as at **31st March 2016**, the Statement of Profit and Loss and the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ('the act') with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of

the accounting policies used and the reasonableness of the accounting estimates made by the Company's management and Board of Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at **31st March 2016**, and its Profit and its cash flows for the year ended on that date.

ANNEXURE B TO THE INDEPENDENT AUDITORS' REPORT OF EVEN DATE ON THE STANDALONE FINANCIAL STATEMENTS OF SUNSTAR REALTY DEVELOPMENT LIMITED

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Sunstar Realty Development Limited ("the Company") as of March 31, 2016 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ("Guidance Note") issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally

SUNSTAR REALTY DEVELOPMENT LIMITED

accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

- i. pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- ii. provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- iii. provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by ICAI.

Notes: Forming Part of the Financial Statements:

1 Significant Accounting Policies:

1.1 Basis of Accounting:

The Financial Statements are prepared under the historical cost convention, on accrual basis of accounting, in accordance with the generally accepted accounting principles in India and the applicable Accounting Standards referred to under section 133 of the Companies Act, 2013 read with rule 7 of the Companies (Accounts) Rules, 2014.

1.2 Use of Estimates:

The preparation of Financial Statements requires use of estimates and assumptions to be made that affect the reported amount of assets, liabilities and disclosure of contingent liabilities on the date of the financial statements and the reported amount of revenues and expenses during the reporting period. Differences between the actual results and estimates are recognized in the period in which the results are known / materialized.

1.3 Fixed Assets:

Fixed Assets are stated at cost inclusive of installation and attributable expenses less accumulated depreciation/ amortization thereon and impairment losses, if any.

1.4 Depreciation:

Depreciation on fixed assets is provided on written down value method (WDV) at the rates and in the manner prescribed in Schedule II to the Companies Act, 2013.

Intangible assets are amortized over their estimated useful life on a written down value method (WDV).

1.5 Revenue Recognition:

Income and expenditure are recognized and accounted on accrual basis as and when they are earned or incurred. Revenue from sales transaction is recognized as and when the significant risk and reward attached to ownership in goods is transferred to the buyer. However leave with wages and bonus is accounted on cash basis.

Prompt payment rebate and overdue charges are determined and accounted for on termination of the contracts.

1.6 Investments:

Long Term Investments are stated at cost net of provision against diminution, if any, in carrying cost of investment other than decline of temporary nature. Non Current investments are carried at lower of cost and market price.

1.7 Inventories:

Inventories are valued at cost or net realizable value, whichever is lower.

1.8 Impairment:

The carrying amounts of assets are reviewed at each balance sheet date for any indication of impairment based on internal/external factors. Where the carrying value

SUNSTAR REALTY DEVELOPMENT LIMITED

exceeds the estimated recoverable amount, provision for impairment is made to adjust the carrying value to the recoverable amount. The recoverable amount is the greater of the assets estimated net realizable value and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using an appropriate discounting rate. If at the Balance sheet date there is an indication that a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount subject to maximum of depreciable historical cost.

1.9 Borrowing Costs:

Borrowing costs attributable to the acquisition or construction of qualifying assets are capitalized as part of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use. All other borrowing costs are charged to revenue.

1.10 Cash Flow Statement:

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

Cash flows are reported using the indirect method, whereby profit / (loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

1.11 Employee Benefits:

Short term benefits and post employment benefits are accounted in the period during which the services have been rendered.

1.12 Taxation:

Current tax is determined as the amount of tax payable in respect of taxable income for the year computed in accordance with relevant provisions of Income Tax Act, 1961.

In accordance with the guidance note issued by the Institute of Chartered Accountants of India ('ICAI') on accounting for credit available in respect of Minimum Alternate Tax (MAT) under the Income Tax Act, 1961, the Company recognizes MAT credit as an asset only when and to the extent there is convincing evidence that the Company will be liable to pay normal income tax during the specified period.

Deferred tax charge or credit and correspondingly deferred tax liability or asset is recognized using tax rates that have been enacted or substantively enacted at the balance sheet date. Deferred tax is recognized, subject to the consideration of prudence, on timing differences, being the difference between taxable income and accounting income that originate in one period and are capable of reversal in one or more subsequent periods. In the event of unabsorbed depreciation or carried forward loss under taxation laws, deferred tax assets are recognized only if there is virtual certainty supported by convincing evidence that sufficient future taxable income will

be available against which such deferred tax assets can be realized. Deferred tax assets are reviewed at each balance sheet date and written down or written up to reflect the amount i.e. reasonable/virtually certain (as the case may be) to be realized.

1.13 Provisions, Contingent Liabilities and Contingent Assets:

Provisions are recognized only when there is a present obligation as a result of past events; it is more likely than not that an outflow of resources will be required to settle the obligation and when a reliable estimate of the amount of the obligation can be made.

Contingent Liability is disclosed for (i) Possible obligation which will be confirmed only by future events not wholly within the control of the company or (ii) Present obligations arising from the past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made.

Contingent Assets are not recognized in the financial statements.

1.14 Earnings per Share:

The basic earnings per share are computed by dividing the net profit attributable to the equity shareholders for the year by the weighted average number of equity shares outstanding during the reporting period. Diluted EPS is computed by dividing the net profit attributable to the equity shareholders for the year by the weighted average number of equity and dilutive equity equivalent shares outstanding during the year, except where the results would be anti-dilutive.

1.15 Segment Reporting:

The generally accepted accounting principles used in the preparation of the financial statements are applied to record revenue and expenditure in individual segments.

Segment revenue and segment results include transfers between business segments. Such transfers are accounted for at the agreed transaction value and such transfers are eliminated in the consolidation of the segments.

Expenses that are directly identifiable to segments are considered for determining the segment result. Expenses, which relate to the company as a whole and are not allocable to segments, are included under unallocated corporate expenses.

Segment assets and liabilities include those directly identifiable with the respective segments. Unallocated corporate assets and liabilities represent the assets and liabilities that relate to the company as a whole and not allocable to any segment.
